Check Verification

Warns you of possible fraud.
A multiple step approval process is applied to each check. Good and bad check writers are identified.

Check Guarantee

Same as verification. In addition, if a check is returned from your bank we cover your loss.

Check Conversion

The process of converting a check to an electronic debit at the point of sale. No trips to the bank for deposits and no check return fees. Check guarantee is included with the conversion program.

Internet Checks

Accept checks from your web site. A new and exciting concept is now available. Internet access is all you need.

Increase Profits

You went in to business to earn a living. Time away from your business erodes your profit potential. Global Check helps recapture this precious commodity.

Stop Fraud

Did you know the professional thief will target a new store for check fraud. Don't become another statistic. Let us help you succeed.

What to do

We have a nation wide team providing the services you require. Call 800-988-6221 for a local rep.
